The Union of India
through the General Manager,
Central Railway, Mumbai & Anr. ..Respondents.

Mr.Shashikant R. Atre for petitioner.

Mr.Suresh Kumar for respondent No.2.

CORAM: A.M.KHANWILKAR,J

DATE : JUNE 23, 2006.

P.C. :

1. Heard.

2. Having regard to the affidavit filed by the Senior Divisional Personnel Officer- Tukaram N. Bhosale, it is seen that the observation made in order dated April 17, 2006 have been fully complied with. The grievance of the petitioners that instructions have still not been given to the bank does not mean that the respondents have willfully breached the directions of the court. That is the matter which will have to be sorted out by the petitioners in co-ordination with the respondents. The respondents shall extend necessary cooperation to

the petitioners to facilitate early disbursement of the amount to the petitioners. In my opinion, it is not necessary to precipitate the matter.

3. Petition disposed of on the above terms. Notice issued stands discharged.
